For this a member receives the following benefits:

The benefits also extend to concession members, entry into all league games will be at the reduced cost of £3 with the other discounts as well

Without the benefit of membership the season ticket cost will be as follows:

Full cost	£132 (cost of £6.28 per match)
Concession	£ 72 (cost of £3.43 per match)!

Whether a Full member or a Concession member there are significant financial benefits accruing from being a member of CTFC
